PEAS BLOCK TRAFFIC

Mankato, Minn.- Traffic was halted for some time on U. S. highway 169 when eight tons of shelled peas spilled onto the highway, making the road surface so slick and heavy that traffic was impossible. The peas, being transferred in nine large tanks atop the flatbed of a truck, were dumped on the road when the truck's front wheels locked on a turn.

"Did you enjoy your dinner, sir?" asked the solicitous restaurant proprietor.

"Yes, except the dessert. That was terrible."

"Did you have the plum tart or lemon pie?"

"I don't know. It tasted like glue!"

"Ah! It was the plum tart. The lemon pie tastes like paste."
